Back to Business as Usual?

Barring any further setback from COVID-19, the Kendallville Public Library is back to its regular hours, and most of our regular services. Masks are still strongly recommended, unless state or local government enacts a requirement in public spaces. If you are uncomfortable coming into public spaces like the library, we are still offering Curbside Service daily, and Doorstep Delivery throughout the week. Call us at 343-2010 (Kendallville) or 854-2775 (Limberlost) to learn more about how to take advantage of these services.

Recently, the Kendallville Public Library Board voted to change the regular hours on Fridays from 9:00 a.m. to 6:00 p.m for both library locations, to 9:00 a.m. to 5:00 p.m. Friday evenings aren’t a big time for library usage, so this will allow staff who had been scheduled to work during that time, to more fully staff the library throughout the week.

You will see programming slowly returning to the library, but please note that in most cases for in-person programming, registration is required. We want to maintain a safe social distance during these events, so knowing how many people to expect is important. Also, watch for events where a mask is required to attend. You can see the event details on pages 6 and 7.

Not everything is back to normal...you might notice a new look to this newsletter! These past several months have given us the chance to hit "pause," reflect on our work, and in some cases (like this newsletter) launch a revamp. We expect you to continue to receive all the infomation you need to know about the Kendallville Public Library, but it will use a third less paper if you are reading it in print!

Kid City Still Fun; Looks a Little Different for 2020

Kid City is coming to the library this year, rather than the Noble County Community Fairgrounds.

On Saturday, August 1 beginning at 10:00 a.m., come to our "drive thru" for Kid City to pick up a bag for each child. The bags will be filled with at-home activities provided by all your favorite Kid City participants. Each bag will be different, but all will be fun! There are even Kid City masks included, provided by the United Way of Noble County.

The "drive thru" pickup will be available at our libraries in Kendallville and Rome City, but also the Noble County Public Libraries in Albion, Avilla, and Cromwell, as well as the Ligonier Public Library.

Congratulations to Karalynn Vanderpool, whose “Rainbow Kitty” mascot design won the public vote! Look for her design to become a stuffed animal soon.
Catalogued Conversations
Podcast
Beth Munk, Leah Dresser and Jenna Anderson got together mid-July to talk about how the pandemic has affected library service and their plans for the future. Listen as they chat, reminisce, laugh and put their feet in their mouths on a few occasions (as usual). Hearing the podcasts is always a fun way to find out what’s going on at the library!
Check out Catalogued Conversations through Apple Podcasts, SoundCloud, or your favorite podcast app. Subscribe to be one of the first to hear each new podcast we publish!

Welcome new board members!
In July, the Kendallville Public Library welcomed three new Board of Trustees members. Jeni Ekovich (left) and Anne Tipple (right) were both appointed by the Noble County Commissioners, and Beth Friskney (center) was appointed by the Noble County Council. They joined the board to replace Ray Scott, Don Ramsay, and Jo Drudge who all retired from the board in June. Welcome to the board, and to the Kendallville Public Library family!

Want to see some ideas on how to implement our Art Prints in your own home? Check out Béke Design on Facebook: www.facebook.com/bekedesignblog. Becky recently discovered our collection herself, and has used many of our prints in her designs!

In this book, Chelsea Clinton introduces young readers to a selection of endangered animals, sharing what makes them special, and also what threatens them. Taking readers through the course of a day, Don’t Let Them Disappear talks about rhinos, tigers, whales, pandas and more, and provides helpful tips on what we all can do to help prevent these animals from disappearing from our world entirely.

The Adventure Walk in Rome City consists of 9 stations that start at Grant Park and continue along a walkway to Kelly Park. In Kendallville, the walk of 18 stations starts at the front of the Kendallville Public Library and then continues in a loop around the library through the west side of Bixler Lake Park. Maps for both locations are available here: http://bit.ly/KPLAdventureWalk.

In August, walk and read Don’t Let Them Disappear by Chelsea Clinton. Did you know that blue whales are the largest animals in the world? Or that sea otters wash their paws after every meal? The world is filled with millions of animal species, and all of them are unique and special. Many are on the path to extinction.

Welcome to the Kendallville Public Library family!

Interactive, Virtual Storytime in August!

Miss Tracey and Miss Courtney will continue to offer virtual, online storytimes in August, but they’ll become a little more interactive. First, pick up a storytime calendar at the library or download one from our website at www.kendallvillelibrary.org. Watch the storytime videos posted on Facebook every Monday at 11:00 a.m. We’ll read a story or two, and then introduce activities you can do at home to extend the book all week! If there are supplies to pick up, stop in and grab yours (first come, first served while supplies last). When you show us you have completed your weekly projects (post on Facebook, email us or show us in person), you can come claim your “Brag Tag” and move your name around a board game we’ll have set up in the library. See your progress as you prep for kindergarten!
