Keep Your Contact Information Up-to-Date

The Kendallville Public Library has become a partner with many of you. We provide you with books and movies when you have to stay at home, we offer kitchen tools that you can use when they are needed without having to store them in your own cabinets. We bring you online services like OverDrive (Libby), Hoopla, and Creativebug. We even come to the places you are, like the Kendallville Farmer’s Market, local festivals, and schools.

As with any partnership, communication is key. Keeping your contact information, especially an email address, up to date on your library account is beneficial to you in a number of ways. By providing a valid email address, you can:

- Get Digital Receipts when you check out items
- Be notified automatically when you have holds available, items that are due, or items that have been auto renewed
- Receive announcements of new items and library services that might appeal to you

In fact, we think it’s so important to stay connected that we're giving you an incentive. When you update your phone number and email address with us this month (February), you will get to choose one item of KPL swag, including a pen, chip clip, earbuds, water bottle, or metal straw.

You will also be entered to win a prize pack including a KPL T-Shirt and $25 Kendallville Chamber of Commerce Gift Check. We'll randomly draw two winners from the entries collected through February 28, and notify those winners with their recently updated phone number and email address!

Want a Tumbler? Visit the Library!

We are kicking off Library Lovers Month with a way you can show us some love - by paying us a visit!

Pick up a punch card beginning February 1 at the Kendallville Public Library or its Limberlost Branch. Each time you visit (including your first visit to get your card) and check out an item, we will punch your card. After eight visits between February 1 and March 31, you’ll earn a Stainless Steel Tumbler!

You don’t necessarily have to come into the library to “visit” us. Doorstep Delivery and Curbside Pickup count, too! Call us at 343-2010 to ask how to take advantage of these services. OverDrive and Hoopla check outs won’t count for this promotion, but don't worry...we have plans to reward you for using those downloadable services in the future!

OK, now here’s the fine print. One card/tumbler per person. One visit per day, and visits must include a check out. Eight visits need to be completed by March 31, 2021. The library is not responsible for lost or stolen punch cards.
Get Creative on the Go!
Get access to Creativebug easily with any mobile device! Just download the Creativebug app from your app store, log in with your Kendallville Public Library number, and get started crafting. With more than 1,000 videos and categories like knitting, crochet, paper, sewing, quilting, jewelry, kids, home and holiday, you're sure to find inspiration for your next project. It even offers a pattern library!
Creativebug is available to anyone with a Kendallville Public Library Card beginning with the numbers 27516. You can also access Creativebug online under "Online Resources" at www.kendallvillelibrary.org. Personal memberships to Creativebug are available, but by using the library's subscription you are saving 75% of the cost. You can also access Creativebug online under "Online Resources" at www.kendallvillelibrary.org. We have added a chat feature! Just type a message to start a conversation. If we are away, leave your name and email address and we'll get back to you as soon as possible.

It's Tax Season!
You can still get Indiana 2020 tax forms at the library...this year, just ask us for them! Federal tax forms will still be displayed in the library and available for you to pick up. However, due to the COVID-19 pandemic, Indiana is not providing libraries with copies of state tax forms as they have in the past. We want to make sure you can get them - free - and we will print them for you from the state website on an as-needed basis.
Want to access them yourself? They are available online here: https://www.in.gov/dor/tax-forms. You may also qualify to file your taxes online for free! Just check eligibility here: https://www.in.gov/dor/individual-income-taxes/infreefile. You can also get IRS publication numbers to help you with your taxes online. There are many more handy resources available through INSPIRE, and we will continue to feature them here.

Consumer Health Complete
A comprehensive resource for consumer-oriented health content, Consumer Health Complete through INSPIRE is designed to support the information needs of patients and to foster an overall understanding of health-related topics. This resource provides content covering all key areas of health and wellness, from mainstream medicine to the many perspectives of complementary, holistic and integrated medicine.
