Memory Care Collection Helps with Alzheimer’s, Dementia

The Kendallville Public Library’s newest “Library of Things” collection is called Memory. It’s filled with items that are beneficial for those suffering from Alzheimer’s Disease or Dementia and their caregivers.

The collection was started at the suggestion of a patron. Many times, that’s all it takes! This patron commented that they loved our jigsaw puzzle collection, but that they all contained too many pieces. When we asked why, they let us know that they got puzzles for their family member who had Alzheimer’s. When our staff began searching for puzzles that were suitable for memory care patients, they realized just how many resources were available and the new collection was born.

Mentally stimulating activities like jigsaw and crossword puzzles have been shown to benefit patients with these conditions. KPL’s Memory collection is filled with these items, plus art projects, activity books and more.

In addition to providing these important resources, KPL has teamed up with the Alzheimer’s Association to help you learn the 10 Signs of Alzheimer’s Disease, because early detection matters.

1. Memory loss that disrupts daily life.
2. Challenges in planning or solving problems.
3. Difficulty completing familiar tasks.
4. Confusion with time or place.
5. Trouble understanding visual images and spatial relationships.
6. New problems with words in speaking or writing.
7. Misplacing things and losing the ability to retrace steps.
8. Decreased or poor judgement.
9. Withdrawal from work or social activities.
10. Changes in mood and personality.

If you or someone you care about is experiencing any of these warning signs, please see a doctor. For additional support, contact the Alzheimer’s Association at 800-272-3900 or alz.org.

Not in a Library District? Come to KPL!
The Friends of the Library group at KPL wants to make sure that as many people as possible have access to a library. So the group is beginning a pilot program in 2021 to underwrite a portion of the cost of a subscription card for those living in nearby unserved areas, including Corunna. If you or someone you know lives in an unserved area (do not pay taxes to support a library system), please call us at 343-3410! We can share the details of this exciting new service.
The Friends of the Library accepts donations all year long through a “Plinko” board at the Kendallville Public Library and its Limberlost Branch! Your support through donations and book sales makes services like this possible. Note: You may have heard of a Public Library Access Card (PLAC) which is available at the KPL for patrons who have a home library card, but are outside of the Evergreen Indiana consortium (Allen County is a great example of this). A PLAC to use at KPL is available for an annual fee of $65.

Some things to look for in April...
• A brand new website for KPL
• Info on how you can participate in a Community Cookbook
• Quick links to see what’s in the Library of Things

Request an Item for Library Purchase

Did you know that we have a form specifically for your requests? We call it an “Orange Card” (because we print them on orange paper), but you can call it anything you want! The important thing is that you know it is available any time you want to request an item that we don’t have. Here are a couple of scenarios where these might be beneficial to you.
• There is a new book out, but the Kendallville Public Library doesn’t own a copy. Other Evergreen Indiana libraries do, but because it is a new item, there is a 6 month wait before it can leave its home library. Request the book!
• You’re looking for a DVD, but not only is it not available at the Kendallville Public Library…it can’t be found anywhere within the Evergreen Indiana consortium. Request it!

We purchase as many of these requests as possible, but please understand that sometimes an item is out of print or rare, and the cost to purchase it might just be too great to justify the use it will get. But it never hurts to ask!

There is still time to earn a prize!

Last month we began giving out punch cards to celebrate Library Lovers Month. When that punch card is filled by March 31, you will have earned a stainless steel travel tumbler or a KPL t-shirt—your choice! Each time you visit and check out an item, we will punch your card. You don’t necessarily have to come into the library to “visit” us. Doorstep Delivery and Curbside Pickup, too!

OK, now here’s the fine print. One card/prize per person. One visit per day, and visits must include a check out. Eight visits need to be completed by March 31, 2021. The library is not responsible for lost or stolen punch cards.

Celebrate the beauty and diversity of flowers with Flowers: A Guide to Annuals, Perennials, Flower Arrangements, and More by Publications International, LTD. This guide to annuals, perennials, gardening, and flower arranging is equal parts instruction and inspiration. We have selected some especially intriguing pages from the book to feature on our Adventure Walks. They will be available to read in Kendallville and Rome City beginning March 1 and through the end of the month.

The Adventure Walk in Rome City consists of 9 stations that start at Grant Park and continue along a walkway to Kelly Park. In Kendallville, the walk of 18 stations starts at the front of the Kendallville Public Library and then continues in a loop around the library through the west side of Bixler Lake Park. Maps for both locations are available here: http://bit.ly/KPLAdventureWalk.

A family is split when their father leaves their shared inheritance entirely to Helen, his younger daughter. Despite baking award-winning pies at the local nursing home, her older sister, Edith, struggles to make what most people would call a living. With the proceeds from the farm, Helen builds one of the most successful light breweries in the country, and makes her company motto ubiquitous: Drink lots. It’s Blotz. Where Edith has a heart as big as Minnesota, Helen is as rigid as a steel keg. Yet one day, Helen will find she needs some help and she could find a potential savior close to home...if it’s not too late. Check out a copy of the book from our Book Club shelf.
