Learn from a Master Gardener!

As we enjoy sweater weather, let’s not forget about our gardens! It’s time to clean those up and prepare for winter, but it’s also a great time to plant bulbs that will bloom in the spring. Master Gardener Sherry Erdly will guide us through the process on Wednesday, October 14 at 6:00 p.m. It’s a free event for adults age 18 and up, but space is limited so registration is required. Sign up at www.kendallvillelibrary.org or by calling 343-2010.

Rosetta Stone

Learn one of 30 different languages with Rosetta Stone! Level One of each language is free through INSPIRE.

When you go to our website at www.kendallvillelibrary.org and choose INSPIRE under Online Resources, you’ll see Rosetta Stone on the landing page. You’ll need to create a username and password. Once that is done, get started learning a new language! You’ll need a computer or device with a microphone, as Rosetta Stone uses a combination of speaking, matching, and more to increase your skills. Try as many different languages as you like...all for free.

If your IP is recognized as being inside the state, you will be able to access INSPIRE instantly. If your IP is not recognized, you will be asked to create an account.

There are many more wonderful resources available through INSPIRE, and we will continue to feature them here.

I’m Trying to Love Spiders is a fresh and funny non-fiction picture book that shares lots of fascinating facts about spiders in an entirely captivating way. If I’m Trying to Love Spiders doesn’t cure your spider phobia, it’ll at least make you appreciate how amazing they are...and laugh a lot as you learn about them.

This book will be available to read in the Adventure Walks in Kendallville and Rome City beginning October 1 and through the end of the month.

The Adventure Walk in Rome City consists of 9 stations that start at Grant Park and continue along a walkway to Kelly Park.
